**DIRECTIONS:** Salem is located on US 50 between Clarksburg and Parkersburg.

If you are coming in from the northeast or southeast, I-79 is usually the best bet. You'll get off at the Bridgeport exit (119) and take US 50 west toward Clarksburg. About 12 minutes out of Clarksburg you'll take the Salem exit and come in through town. Take the next right turn after the 7-Eleven which will bring you straight to the university campus. As you climb the hill, our main parking lot will appear on the left. Drive toward the far end and Carlson Hall is the last building before the field.

If you are coming from the northwest or southwest, I-77 is the main route. You'll get off at Exit 176 and take US 50 east. The Salem exit is about 1 hour from there. Once you take the exit, you'll continue into town and take a left in front of the small church (on the right hand side). The church has a large stoned parking area on the right side of the road. Once you turn left, you will be headed straight toward our campus (If you reach the 7-11, you've missed the turn). As you climb the hill, our main parking lot will appear on the left. Drive toward the far end and Carlson Hall is the last building before the field.
